Hi, Willy.

I am taking over from Liz as the Liaison Officer and am helping to schedule these meetings. Wednesday, Sept 2, from 8:00 am to 10:00 am will work well for Cinna and Sarah. Where would you like them to meet you and Anthony?

Please let me know if you have any questions or would like additional information.

Thanks!

Cynthia

Hi Liz,

Anthony and I will represent the Town as well as the County.

I have a 10:00 am to 11:30 am meeting previously scheduled. We could meet prior to that meeting from 8-10 am or immediately after at 11:30 am.

Willy

Hi Willy,

Two questions:

1) Will you and Anthony Edwards be covering any questions that the Town of Silverton may have about cooperative agreements?

2) What is the earliest you can meet on Wednesday? Cinna and Sarah were planning on being in Silverton in the morning on Wednesday through lunch and maybe early afternoon, but they fly out of Durango around 5pm on Wednesday.

I hope you're doing well,

Liz

Hi Liz,

The afternoon of Sept. 2 would work great for me. I appreciate the EPA sending the financial specialists to Silverton.

Thanks,

Good afternoon,

Looking to share information that two of EPA Region 8 Financial Specialists, Cinna Vallejos and Sarah Hulstein, will be in Durango Monday August 31 through Sept 2nd. The goal of their visit is to meet with interested city, county, and tribal financial representatives to address their questions regarding financial assistance from the EPA with respect to the Gold King Mine release.

Tentatively, Cinna and Sarah will be meeting with La Plata County representatives on Monday afternoon. Cinna and Sarah will be available all day Tuesday at the La Plata County Attorney's office at 1099 Main St. Suite 308, Durango, CO to meet with City of Durango, San Juan Basin Health, Southern Ute, and Ute Mountain Ute representatives. On Wednesday, Cinna and Sarah are tentatively planning on traveling to Silverton to meet with Town of Silverton and San Juan County representatives.

Any agenda topics or questions that you may have, please provide those to me to ensure the meetings and discussions are productive. Also, please respond, as soon as possible, or if at all possible by noon on Monday with confirmation of preferred meeting date and time.

Please feel free to contact me directly at 406-214-4257 with any questions.

Liz
